

6000 SERIES GRIPLOCK

STURDY & STAYS-PUT

No more sliding mats for you, our exclusive “Griplock” series stays where you put it. We use a premium backing that grips and locks the mat into place. Plus, strong carpet has bound edges and is made from automotive grade nylon.

INCLUDES CUSTOM EMBROIDERED PATCH

CUSTOM FACTORY CUT

When a universal fit is too general, we offer a lower cost alternative to OEM mats. We match your year, make, model, and color to the factory template. All mats are expertly hand trimmed and bound.
